Dear Ms. Davis:

Enclosed you will find the administrative record including a copy of the public notice which announces the Environmental Protection Agency (EPA) Region VII office's intent to issue a Resource Conservation and Recovery Act (RCRA) Hazardous Waste draft permit for McDonnell Douglas-St. Louis Tract I for their storage facility in St. Louis, Missouri.

It is our understanding, based upon a conversation on April 5, 1984, with Midge Given of my staff, that your Florissant Valley Branch Library will display this administrative record for public observation at your reference desk from April 15, 1984 through June 1, 1984 between the hours of 8:30 a.m. to 9:00 p.m. Monday through Friday, and 8:30 a.m. to 6:00 p.m. on Saturday.

We ask that you return the administrative record to EPA, Region VII, Permits Section, using the enclosed mailing label, after June 1, 1984, unless we notify you otherwise.

We ask that you send any comments received regarding this public notice to the EPA office at the end of the public observation period. Any questions regarding this letter should be directed to Stephen Busch at (816) 374-6531. Thank you for your efforts in displaying this administrative record.

Sincerely yours,
